Jake | Accountant

"Being able to work in the same industry as I am studying in has benefited my academic performance, while still allowing the flexibility to do meaningful work at LM. The Graduate Program has particularly helped, which has exposed me to different work within the firm in which I have gained an understanding of the types of relationships we maintain with our clients."

WHO WE ARE.

LM was founded in 1972 by Alan Letcher. When brothers Shaun and Dion Moroney joined Alan, the firm evolved into Letcher Moroney.

Throughout its history LM has and continues to prioritise client relationships, developing our people and supporting the communities we operate within. We believe that our success is measured by the professional and personal achievements of our clients.

Today, we operate offices in Adelaide, Streaky Bay, Alice Springs, Ceduna, Port Lincoln, and Darwin, while serving clients across Australia.

In 2025 we transitioned from 'Letcher Moroney' to simply 'LM'. This change reflects our modern approach while honouring our history. Our updated logo, proudly features the tagline "Chartered Accountants & Business Advisors", highlighting the breadth of expertise and services we offer.

Caitlin | Graduate Accountant

“Working at LM while studying has been a really great experience; the flexibility and support you receive in the Graduate Program is immeasurable. LM is a great place to learn, but it is also has a fantastic culture with friendly staff.”

GRADUATE PROGRAM.

Our Graduate Development Program is structured to guide graduates from day one, ensuring equal opportunities and exposure for all participants.

The program complements commerce studies with real-life experience and provides an environment where graduates feel like valued team members rather than just a number.

Regularly planned training sessions for personal and professional development, coupled with a mentor relationship, ensures continuous growth and support throughout the program.

Graduates receive comprehensive guidance and support as they progress through various levels of work whilst being exposed to a diverse range of industries along the way.

The program is committed to helping graduates find areas you are passionate about, enabling you to excel and achieve maximum job satisfaction.

Ultimately, this program will equip you with the skills, experience, and confidence needed to thrive in your Accounting careers and make a meaningful impact at LM.

Zoe | Chartered Accountant

“I started my journey at LM as an Undergraduate Accountant, while simultaneously completing Uni. With the support from LM, I have now gone on to complete my Chartered Accountants accreditation. By undertaking the Graduate Program, I have been provided exposure to a wide variety of industries and clients, which has assisted in expanding my technical knowledge. LM is a friendly environment that supports you in becoming a well-rounded Accountant.”

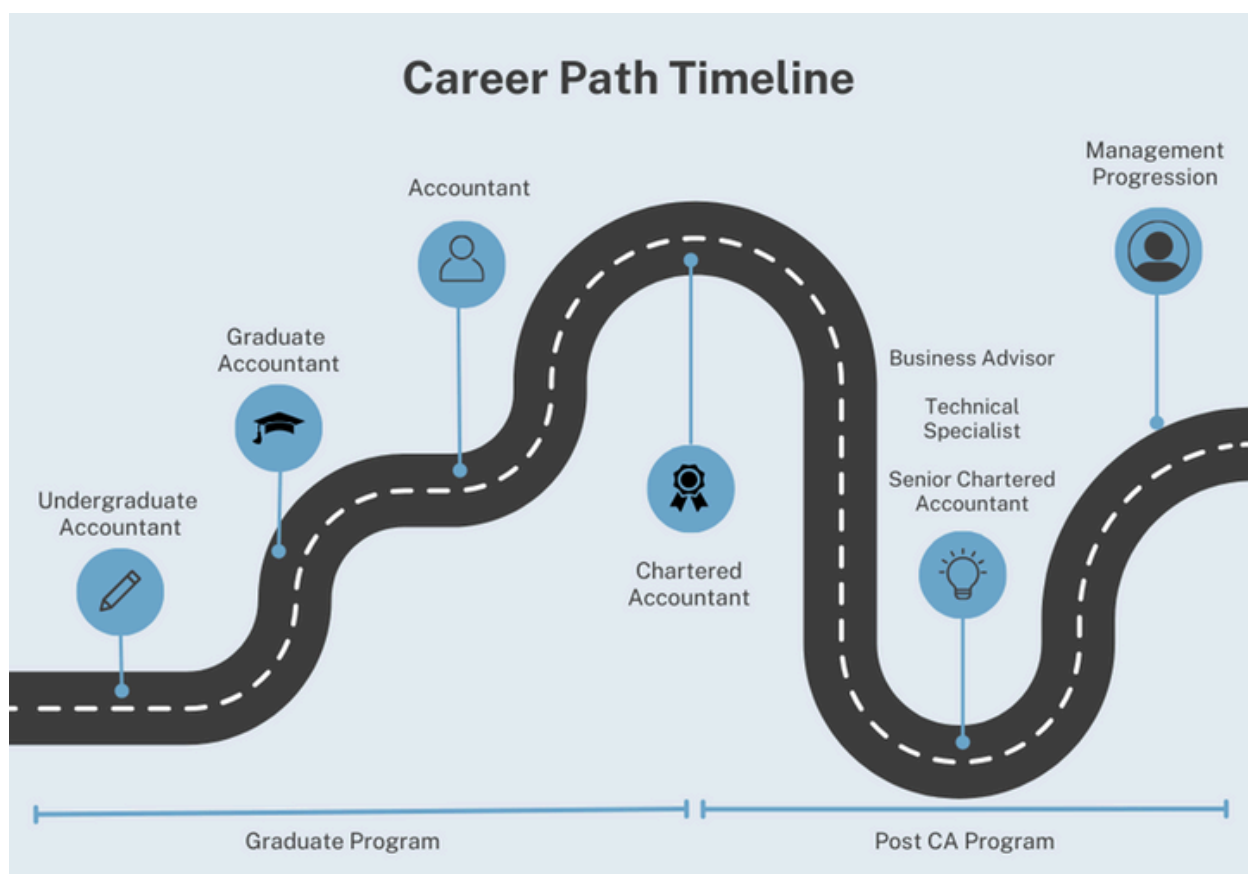

CAREER DEVELOPMENT.

At LM we have structured career pathways in place which clearly illustrate the core competencies and attributes required to progress within the organisation.

Development is a core priority for LM and we actively provide all employees with the tools and support required to develop and grow.

We use development planning alongside 1-on-1 meetings, surveys, performance reviews and other tools to support your development experience.

Creating a Development Plan is an opportunity for you and your manager to build a clear, personalised, and motivating growth plan which is re-visited regularly, updated when needed and always front of mind.
